

# STAR WARS STORY PROMPT CUBE

You are stuck on a desert planet with nothing but the clothes on your back. How do you survive until help arrives?

Glue

Glue

Everyone wants to know how you survived the battle against the First Order. Tell your story.

It is your job to get BB8 to the Resistance. You see a group of Storm Troopers in the distance. Your weapons need repairs. What do you do?

The Resistance needs you. What skills can you use to help them defeat the First Order?

You see a young man, who appears to be helpless, being bullied by two other people. What do you do and who do you find out he is?
