

**Empty box?
Not to worry,
Check the microwave,
In a hurry.**

**No gift is here to zap with
heat,
So you'll need to keep looking.
Think of the place where
feasts are baked,
And Santa's treats are
cooking.**

**Still no present,
You'd better rush.
Check the room,
That makes a flush.**

**Before this is over,
You'll tour the whole
house.
Find another clue,
With our not-so-
squeaky mouse.**

**Happy memories of us all,
Reminders placed upon the
wall,
Christmas, birthdays, family
time,
Which one holds your last
rhyme?**

**We're almost done,
I'll stop pulling your
strings.
Your gift can be found
Underneath the springs.**
